How to milk properly
Storing & using milk

Kid Care

Feeding & weaning
Medications

Presenter: Rose Bartiss, Rose's Goats

Rose has been raising dairy goats near Vermontville, New York, for over 9 years. Over the years she has learned a lot of information and tips for raising happy and healthy goats. Rose loves to share the information she has learned to help goat owners and aspiring goat owners to take good care of their animals. Goats are intelligent, resourceful, funny, useful animals that have unique needs when compared to other farm livestock.

In 2011, Rose started the Adirondack Goat Club to bring together goat owners and enthusiasts all over the area. The mission of the club is to create a network of people who can rely on each other for help with their goats, for the sharing of information and equipment, and for the sale and trade of quality animals. If you have any questions, please contact Rose at 518-891-8401.

When: Tuesday, June 4, 6:30—9:00pm
Where: Ward Lumber, 697 Glen Rd, Jay
Cost: FREE

Pizza & refreshments will be provided.
