Ideal for ranch style homes. Models 9203, 9133, 4310 and 4053.

COLORS

3-LAYER CONSTRUCTION

2" or 1-3/8" insulation provides comfort, energy efficiency and superior R-values in every season.

- Weathertight tongue-and-groove section joints help seal out wind, rain and snow.
- Replaceable bottom weatherseal in a rust-proof aluminum retainer helps prevent elements from entering garage.
- Patented Safe-T-Bracket® helps prevent serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- Nylon rollers are smooth and quiet.
- Galvanized steel hinges attached to backup plates are durable, reliable and secure.
- Prepainted white end stiles and interior steel backing create a clean, finished appearance.
- Inside/outside step plates and grip handles make doors easy and safe to operate.
